

Buildium Mobile App for Owners

Hello BRR Owner,

We're excited to let you know about the Resident Center mobile app! A new mobile app made specifically for your resident experience.

The Resident Center app is designed with simplicity in mind. You can make payments, submit maintenance requests, contact your property manager, and more—with just a few taps.

Key Features:

- Make one-time or recurring payments any time, anywhere.
- Submit maintenance requests with attached photos within seconds.
- Stay up-to-date with announcements, texting and other communication features.
- To download the app, go to either the Apple app store, or Google Play and search for “Resident Center”.

Owners will log into the app with the same credentials for the Buildium Portal. The attached file includes **Quick Start** instructions.

The mobile app is the best way to ask for assistance with any HOA matter.

Sincerely,

Jim Simmons, PCGatekeeper

Buildium Mobile App for Owners
